

Date: April 7th, 2023

**TO :** To whom it may concern**FM :** Tianma Japan, Ltd.**RN :** TMJ-PP-2000**RE :** Notification of Phase-out / Discontinuations

This is a notification of phase-out and discontinuation for TFT-LCD products, listed on the subsequent pages. Although we continue to support our core principle for long-term Industrial product life, we must from time-to-time phase-out older generation products. This includes the need to balance our “Best in Class” long-term product life support with production efficiencies based on changing market conditions.

Although the majority of products impacted have been in mass-production for over 10 years, due to the significant decrease in global demand and the unprecedented strain on IC and other electronic components over the last 2 to 3 years, and the ongoing risk of additional material discontinuation, we regrettably must announce the Phase-out of the following products.

As part of this process, our company is consolidating the older generation product families, adding and strengthening our new product families, in order to improve our overall service and support to all customers. We apologize for any inconvenience, but we would like to announce the following products described in this notification will be phased out.

We kindly ask all our customers to review all details carefully and help to communicate the below phase-out information to appropriate contacts as early as possible. Your kind understanding and cooperation will be highly appreciated.

### **1. LCD products for Industry / Monitor “A”**

- 1) Advanced Phase-out Notification on April 7th, 2023
- 2) Phase-out Notification on April 7th, 2023
- 3) Product list to place Last Time Buy Order on September 30, 2023
- 4) Product list of Last Shipment done on September 30, 2023

### **2. Phased-out Product**

### **3. Lamp Holder Set**

If you have any questions, please feel free to contact sales or sales representative of TMJ.

Sincerely,
